Brooklyn, NY ([BizHWY](#)) March 18, 2010 - The car accident cases have involved traffic injury accidents, flipped SUV, motorcycle wrecks, rear-ended by a tractor-trailer and fatal car accidents. These vehicle accidents have resulted in the serious injury and even loss of life.

The car accident cases have involved traffic injury accidents, flipped SUV, motorcycle wrecks, rear-ended by a tractor-trailer and fatal car accidents. These vehicle accidents have resulted in the serious injury and even loss of life.

Vehicle accident injury victims are entitled to just compensation for property damage, car damage repairs, medical bills, lost wages, pain and suffering and serious injury or disfigurement.

Adjusters and insurers have one set of procedures for handling claims by individuals not represented by an personal injury lawyer and a different set of rules for claims in which the victim has a car accident attorney. Victims rarely get the compensation they deserve by trying to handle your claim alone.

Ajlouny & Associates, New York personal injury attorneys investigated the vehicle accidents and proved fault of the other negligent driver. Ajlouny & Associates were able to negotiate large settlements for their clients injuries.

In any personal injury case, victims or a family member can file a personal injury claim against any negligent party. A vehicle accident victim who has suffered an injury should call a New York personal injury attorney for a free consultation.

Victims of personal injury claims that include: vehicle accidents, slip and falls, head trauma, birth injury and medical malpractice can file a personal injury claim against any negligent individual/individuals.

Ajlouny & Associates helps the victim to recover damages for injuries (loss of wages, pain and suffering, damages, medical bills) they have incurred.
