Your Personal Assistant Clients include entrepreneurs, investors, attorneys, executives, and retired professionals from industries including entertainment, real estate, finance, law, and more. One call instantly connects clients to their YPA Ambassador, who maintains their custom profile with everything from vacation home address to dog's favorite food.

"Your Personal Assistant has expanded my productivity and created more time in my life," says one longtime client, an entertainment industry executive. "My relationship with YPA began three years ago when I needed someone to walk my dog when I had an unexpected meeting. The relationship grew as I learned just how many more of my tasks could be delegated to the capable hands of YPA's Emissaries. YPA's ability to be in more than one place at the same time, their flawless performance, and 24/7 access, has given me more time for what really counts in my life."

Your Personal Assistant was founded in 2006 by a group of innovative investors discovered they could improve their productivity, performance, and quality of life by finding and sharing the highest quality personal assistants they could find. As they shared the insider service with family and close friends, demand quickly grew and Your Personal Assistant was incorporated. With a dedication to reliable, professional service and a reputation for doing whatever it takes to build a loyal relationship with each client, the YPA personal assistant promise challenges the disturbing trend of mediocre service and disappointing results.
