

ST Design Studio just launched new website/Elegant site showcasing their Graphic Design services.

ST Design Studio just launched their new website showcasing some nice collections of their graphic design work. Businesses interested in having their brochures, cards and ads designed should check.

New York, NY ([BizHWY](http://www.bizhwy.com)) August 17, 2010 - ST Design Studio just launched their new website showcasing some nice collections of their graphic design work. Businesses interested in having their brochures, cards and ads designed should check it out.

"ST Design Studio specializes in the development and creation of marketing materials for print and web. We work on a wide array of projects by providing new design ideas or following styles already implemented by your company."

"Our approach to design is very clean, concise and elegant. We believe that the message to your audience can be delivered through attractive and understated materials yet powerful and effective."

Their portfolio includes projects such as logo design, brochure design, card design, ad design and web design. [/b]
