Bronx, NY ([BizHWY](http://www.bizhwy.com)) March 11, 2011 - DJ Larry Love has entertained many satisfied party revelers and has gained the confidence of many at weddings, graduations, proms, sweet sixteens and other party gatherings. He strives for excellence and complete customer satisfaction at every event. Recently, he achieved a milestone by securing and entertaining his 1000th contract. A task that many DJs rarely achieve, according to industry experts.

DJ Larry understood the importance and seriousness of what an affair means to his clients. By dedicating his time and energy to make certain that every detail of every event is carefully considered, he generated many client leads which ultimately led to his success as the entertainment leader in his region.

His continued dedication to his clients, positioned him to become the "go to" DJ for many important functions. His dedication to clients is evidenced by his You Tube channel where he regularly submits his music mixes for all to hear. (channel LRamos5249). This among other tactics, proved positive for this DJ entertainer.

When asked about his success, he states "my goal in achieving my clients satisfaction is my primary focus in producing the outcome that they have come to expect from a professional DJ service" said DJ Larry.

You can be certain that you'll have the very best when considering  
DJ Larry for your next event.
