

Industrial Equipment Sale

Vistamation has everything on sale through the rest of 2013. Absolutely everything is marked down!

Temecula, CA ([BizHWY](http://www.bizhwy.com)) December 6, 2013 - Vistamation, Inc. provides industrial equipment to businesses, governments, schools, and hospitals to locations throughout the world. Their specialties include industrial carousels, warehouse shelving and pallet rack, industrial lifts, dock equipment, mezzanines, conveyor, carts & associated material handling equipment. They offer over 100,000 industrial equipment items online and have several hundred thousand more items just a phone call away. Lockers are a particular area of expertise. Vistamation can ship from locations throughout the US at factory direct prices, insuring very best value for their customers. This year end special sale includes everything in their extensive catalog.

"We are providing customers with the opportunity to save on the products they normally use, and take advantage of our prices while reaping substantial tax benefits before the end of the year", says Gregory Amos, company president.
