

## **FASTAXI - Live 'ONE CALL,' Taxi Dispatch Service is a hit**

*Locals and Tourist love FASTAXI, Park City's only live 'ONE CALL,' taxi and airport dispatch service.*

Park City, UT ([BizHWY](#)) June 11, 2015 - The advantage of the app driven companies is they are fast. The problem is, there is no one to talk to if you have a question or a concern. People like to feel important and now they do with Park City's newest LIVE 'ONE CALL,' taxi and airport transportation dispatch service.

FASTAXI is quickly becoming a leader not only in Park City but Salt Lake City as well. With worldly aspirations FASTAXI cannot see a limit to their growth potentia. With their friendly dispatchers and sincere concern for each guest, **FASTAXI** is growing at an astronomical rate. Guests love being able to ask questions, schedule events and feel like they are more than just a credit card number.

FASTAXI's reviews speak for themselves as guests log onto businesses like Yelp and Google+ to express their love of this new concept.
