All people who work for Oregon Appliance Repair are factory trained and certified. They are up to date on the latest technology and have the most advanced tools and techniques when it comes to appliance repair.

Our Appliance Repair Skills:

Whether you have a broken old dishwasher or a stove that is just out of warranty we will be able to find the right solution for you. Our qualified technician will thoroughly examine your appliance and will give you good advice. More often than not, all you will need is some cleaning, repair and parts replacement. We will order the right parts for you. We will clean out your appliance and do all the maintenance work necessary. Our technician will replace the parts and give you some good advice on how to keep your appliance in top shape.

We repair majority of the brands such as Asko, Bertazonni, Bosch, Dacor, DCS, Electrolux, Fisher&Paykel, Frigidaire, GE, Jenn-Air, KitchenAid, La Cornue, LG, Liebherr, Marvel, Miele, Perlick, Samsung, Siemens, Sub-Zero, Thermador, Traulsen, True, Viking, Whirlpool, Wolf and many more. Our team specializes in expensive, deluxe and European brands. But there is not a brand or a model that we can not fix. Each appliance in your kitchen or laundry room can be repaired or refurbished and can serve you for many more years. Customer satisfaction guaranteed!
