

"California Movers" company starts working in San Fernando Valley

"California Movers: Local & Long distance moving company" is now happy to provide moving assistance to everyone who moves to or leaves San Fernando Valley.

San Fernando, CA ([BizHWY](https://www.bizhwy.com)) August 3, 2018 - San Fernando Valley is a piece of the paradise that attracts millions of people from different corners of the world. Somebody arrives to stay here forever, the others have to leave San Fernando Valley to relocate to another city. All these people might need a professional assistance to complete their moving experience smoothly and successfully. Today, they can sigh with relief as California Movers, a trusted and professional moving company, starts offering its top-notch relocation services in San Fernando Valley.

Why do so many people would like to live in this area? Southern California has always attracted people with its mild warm climate, eye-catching sceneries, and promising future. It can offer much both to the residents of the area and businesses that move here. Every person or company who is thinking about moving to San Fernando Valley should appreciate the benefits it offers.

1. It is a place of innovations, creativity, and trend-setters. Southern California is a place where you can meet people from a variety of cultures and countries. It is a home to over 2 million people and 70 thousand businesses. There are over one hundred languages spoken on a daily basis, several chambers of commerce and a variety of industries functioning.
2. There are many big cities and small towns. San Fernando Valley is a perfect destination for everyone who likes living in urban areas or prefers more silent and rural life. Next to such metropolitan cities as Los Angeles and San Fernando, there are many other interesting destinations.
3. It is an entertainment capital of the USA with excellent employment opportunities. Valley can boast to offer the most fascinating and memorable entertainment in the world. You will find everything from luxurious beaches and clubs to a variety of games, observatories, amusement parks and other exciting destinations at the same time, there are numerous Fortune 500 and 1,000 companies here, so the employment opportunities and salary are rather competitive here.
4. There is an excellent education and healthcare base. There are 121 accredited educational institutions in San Fernando Valley. They are both public and private and prepare a solid employee base if you move your business to this area. Moreover, it is a global healthcare leader with a variety of hospitals, medical centers and companies of related industries.
5. High standards of living. In addition to 326 sunny days per year, Southern California features a high quality of life too. The average yearly income per person in San Fernando Valley reaches \$65 thousand dollars that is 22% more than the average yearly income throughout the country.

These and many other reasons make San Fernando Valley a popular destination not only for tourists but also people who look for a better permanent residence and California Movers is now happy to provide moving assistance to everyone who moves to or leaves this area.
