Cheshire, CT ([BizHWY](#)) July 18, 2019 - In the late 70s and early 80s Crystal Kehoss then known as Crystal Abbott worked for Playboy International and modeled for appearances such publications as Sports Illustrated, Omega Stereo Systems as well as worked as a makeup artist and skin care specialist. Her work was recored in several Texas towns as well as California.

She evolved into selling cosmetics and skin care products for Lea Haller but later worked as a mortgage banker in the state of Michigan before moving to Connecticut. She resides here with her husband in Cheshire and has a total of 4 children.

She is celebrating her grand opening with Salon of Cheshire but is accepting only a few choice customers as she is retired but still owns and operates a thriving online jewelry store called buyzjewelry.

She says her bucket list includes helping middle school age children with acne issues and wants to teach the secrets of smooth skin.

Stop in or call Salon of Cheshire and wish her well.
