

Mold Remediation in Alexandria, VA - Certified Mold Removal & Black Mold Cleanup Services

Professional mold remediation in Alexandria, VA. Black mold removal, crawlspace & attic mold cleanup. Licensed Northern Virginia mold contractor. Insurance support available.

Alexandria, VA ([BizHWY](#)) February 20, 2026 - Total Home Rescue, a Northern Virginia restoration company, is expanding its professional **mold remediation in Alexandria, VA** services to help homeowners eliminate black mold, attic mold, crawlspace mold, and basement mold caused by water damage and excess humidity.

Due to seasonal humidity levels, older home construction, and crawlspace ventilation issues, mold growth remains a common problem throughout Alexandria, Virginia. Neighborhoods such as Old Town Alexandria, Del Ray, Rosemont, Seminary Hill, Landmark, Lincolnia, Cameron Station, and West End frequently experience moisture intrusion from plumbing leaks, roof leaks, HVAC condensation, and storm-related water damage.

Total Home Rescue provides comprehensive **black mold removal and professional mold remediation in Alexandria VA**, following strict IICRC S520 industry standards. The company focuses on both visible mold removal and identifying the underlying moisture source to prevent future contamination.

Homeowners looking for detailed information about the remediation process can visit:
