

Bingo Pickup Launches Book-Online Junk Removal & Recurring Pickup Plans Across North Central Florida

Ocala based Bingo Pickup offers book online junk removal, bulk item & recycling pickup across Ocala, Gainesville & The Villages, upfront photo pricing, and no charge until the job is done.

Ocala, FL ([BizHWY](#)) June 18, 2026 - OCALA, Fla. Bingo Pickup, a locally owned junk removal and recycling service, is making it easier for North Central Florida residents to clear out unwanted items. Serving Ocala, Gainesville, The Villages, and the surrounding Marion and Alachua County communities, the company lets customers book a pickup online in about two minutes no phone tag, no waiting around for a quote.

Customers enter their address, choose a service, upload a few photos, and pick a two hour window any day between 6 a.m. and 8 p.m. Pricing is photo based and provided upfront, and a customer's card is only charged after the job is completed. Same day pickup is available when the schedule allows.

Bingo Pickup handles everything from a single bulk item to full garage, estate, move out, foreclosure, and storage unit cleanouts along with furniture, mattresses, appliances, construction debris, hot tubs, and more. Whatever can be reused is recycled or donated to keep it out of the landfill.

The company also offers curbside recycling pickup and "Bingo Monthly," a recurring monthly pickup plan that fills a real local gap, since most of Marion County has no curbside bulk or recycling collection.

"We started Bingo Pickup to give our neighbors an easy, honest way to clear out clutter book online, see your price upfront, and don't pay a dime until it's gone," said Coy Evans, owner of Bingo Pickup.

About Bingo Pickup: Bingo Pickup is a locally owned, owner operated junk removal and recycling company based in Ocala, Florida, serving Marion and Alachua counties, The Villages, and North Central Florida. Book online at bingopickup.com.
